

# DAYCARE

**WE** offer Daycare and Playgroups Tuesday through Thursday. Our goal is to provide a happy day of fun and playtime for your canine companion. Dogs who are boarding can opt to join playgroups while they are staying with us. All dogs must pass an assessment before they are able to join groups. We match dogs based on temperament and size.

- Your Assessment day of Daycare is free!
- Full Day rate \$ 25 (two playgroups, drop off between 7 am – 9 am and pick up between 5pm – 7pm)
- Half Day rate \$ 15 (one playgroup, call for details)
- Discount packages available
- We provide a bed, water and treats – no need to bring anything but your dog!
- Boarding dogs participating in playgroups during stay, \$10 per session

## **IMMUNIZATION REQUIREMENTS**

- Veterinary proof of vaccinations or current Titters for Rabies, DHLPP and Bordetella
- Young puppies must have at least two sets of the DHLPP series and one of the Bordetella series. We highly recommend checking with your veterinarian to make sure your puppy is safely immunized before participation at our facilities

Please contact the Boarding Office for more information.
